

ARNE JACOBSEN CUSHION

Very few people know that Arne Jacobsen also designed patterns for textiles, and this new Tassel pattern is a perfect example. Irregularities meet beauty in ochre yellow - fit for autumn and for styling the modern living room at home.

REPUBLIC OF **Fritz Hansen**[®]

PRODUCT DESCRIPTION

This graphic cushion is the successor to the Objects collection's existing cushions in the patterns Vertigo and Trapez. Like those, the new pattern Tassel was originally designed by Arne Jacobsen and they are all characterised by the Danish architect and designer's minimalist appearance. The Tassel cushion has a distinctive pattern created mathematically but with a relaxed, irregular look. It comes in an earthy ochre tone that is perfect for autumn and works in combination with other earthy hues. The colour makes the pattern and its shadows come to life in a beautiful, playful and understated manner.

MATERIALS

The cushion textile is knitted wool with polyester filling. The inner cushion is FossFlakes™ and is available in the sizes 45x45 cm and 56x36 cm.

COLLI

840015: 4 / 840016: 4

DESIGN

Arne Jacobsen, year 2018

ARNE JACOBSEN 1902-1971

"If I have a philosophy, it must be to sit at my drawing board."

The collaboration between Arne Jacobsen and Fritz Hansen dates back to 1934. It was not until 1952 however, that the team got its breakthrough with the Ant™. It was succeeded by Series 7™ in 1955, thereby enabling both Jacobsen and Fritz Hansen to write their names into furniture history.

Arne Jacobsen was incredibly productive, both as architect and designer. At the end of the 1950s he designed the SAS Royal Hotel in Copenhagen, also designing the Egg™, the Swan™, the Swan Sofa™ and Series 3300™ for the same project.
