MODELS

KS11: Height-adjustable

KS12: Fixed height

MATERIAL

Tabletop: The tabletop is available in two versions: Full-coloured compact laminate or laminated with veneer. The button on the top of the height-adjustable model is made of brass, polished and chromed, and activates the height adjustment. The top has a cut-out carrier handle.

Base: The three-legged foot and the flange are made of pressure moulded polished aluminium. The centre tube on the height adjustable model is a telescope tube: the outer tube is in mirror chromed steel and the inner tube is in satin matt steel. On the model with fixed height the centre tube is in mirror chromed steel. The base is also available in a lacquered finish with polyurethane (PUR) lacquer.
