PYTHON chair
PYT chair

DESIGN

Komplot Design, Denmark

KOMPLOT Design is one of the best-known Danish design studios, a partnership of Poul Christiansen and Boris Berlin. „We believe that good design is not just a solution of the primary so called pure functional problems, but creation of the message, that fills objects and concepts with cultural, philosophic, aesthetic and poetic content,“ say both designers who have created graphic, industrial and furniture design for Danish and international companies like ForaForm, Gubi, HAY, Howe, Normann Copenhagen and their designs have received numerous prestigious awards.

APPLICATION

Cafes, restaurants, Internet cafes, receptions, fast food places, universities

MATERIAL

Form pressed plywood, chrome or powder coated frame
