

ABOUT A LOUNGE SOFA / AAL SOFA

Design by Hee Welling & HAY

Sharing the same minimalistic principles and versatility as the rest of the series, About a Lounge Sofa is a cohesive fusion of two lounge chairs. With its curvy lines and organic expression, it invites close, intimate meetings at the same time as it offers an open and welcoming structure. The choice of oak finishes on the legs and upholstery colours and combinations allow you to create your own unique design.
