

CPH DEUX 215

PRODUCT FACT SHEET

CPH DEUX 215

DESIGN BY RONAN & ERWAN BOUROULLEC, 2012

Part of the Copenhagen range designed by Ronan and Erwan Bouroullec, the CPH Deux 215 Bench shares the same uncluttered profile and strong identity that are consistent with the rest of the collection. Ideal for using as an extra seat or low table in an office context or an entrance hall in a private setting. It is available in several sizes with a solid beech or oak frame in various finishes, and the plywood tabletop has different Nanolaminate colour options. All benches in the series are EU-ecolabelled and made from FSC-certified wood with a water-based lacquer.

HIGHLIGHTS

- Multi-functional family of tables and benches in different shapes, sizes, materials and colours.
- Variability of nanolaminate colours and frame finishes.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise our environmental impact. We optimise the use of sustainable materials such as recycled materials, FSC-certified wood and water-based lacquer, with a growing number of eco-certified products. We have strict regulatory requirements, and the majority of our products are tested to comply with international standards for strength, durability and safety.
