# FEVE DESK

Made in solid FSC™-certified European Walnut, the Feve Desk has an organic, delicate expression. As a reference to the distinctive shape, its name comes from the French word *Fève*, which means bean. The legs are carved into stretched elliptical sections that emphasise the desk's elegant, feminine silhouette and balance the design. The Feve Desk requires little space and can be used both as a desk, an entrance console or a make-up table.

## *Life is full of contrasts*

As we navigate expectations and dreams in the search for meaning and comfort, we long for a balanced life with room for chaos and calm, moments of reflection and times of joy. A place where we can be ourselves, realise the true value of things and feel at home.

Based on a passion for authentic design and clear functionality, we challenge ourselves to shape the future and take pride in creating products that help you balance the contrasts of life.

Our soft forms, rich textures and deep colours allow you to create an authentic and composed atmosphere, while avant-garde shapes, striking patterns and curious details add a touch of the unexpected.

From our base in Copenhagen, we work with artisans around the world, fusing our Scandinavian mindset with global skills and traditions. We take our responsibility to people and the planet seriously and expect the same of our partners.

We create collections of furniture, accessories and lighting, so you can create space to feel comfortably you.

Welcome home.
