

ABOUT A LOUNGE / AAL 87 SOFT DUO

DESIGN BY HEE WELLING & HAY

The AAL 87 Soft Duo fuses the sleek, elegant aesthetics of the four-legged steel frame with the softness and warmth of the quilted shell in contrasting materials. Retaining the same compact body, shaped armrests, and simple, sculpted design that characterise the rest of the lounge series, this design features a functional base with slim, angled legs that slant slightly outwards for optimal stability. The base is available in chrome and powder-coated steel and the quilted shell is offered with two different textiles or leathers to create a unique look that works equally well in corporate, public, or private contexts.
