

Linear Steel Counter Stool

65 cm / 25.6"

“The Linear Steel Bar & Counter Chair brings a new perspective on modern outdoor furniture through its straight lines, folded edges and the contrast between its sturdy materiality and organic, soft form. The design is made unique by its half-circular intersecting legs and small spacing of its seat, allowing easy removal of water — all making the chair visually clean and precise for long-lasting aesthetics. The Linear Steel Side Bar & Counter Chairs is a stackable design in powder-coated steel with a matte look and contemporary feel, with subtle details giving it an elegant expression.”

— Thomas Bentzen

Designed by	Thomas Bentzen / 2021
About the designer	Thomas Bentzen, former Head of Design at Muuto, started his own studio in 2010. Bentzen's designs are characterized by simplicity, rationality and functionality — always firmly rooted in the Danish design tradition, material knowledge, craftsmanship and rational industrial manufacturing processes. His work continues to receive international recognition at fairs and exhibitions all over the world.
Environment	Outdoor
Country of Production	Italy
Preassembled	Yes
Description	The Linear Steel Bar & Counter Chair offers new function to the outdoor environment, equally elegant and practical. The subtle, yet sophisticated design merges sturdy materiality and stackability with clearcut, simple lines and refined detailing, making both its durability and aesthetics decidedly long-lasting. Manufactured in weather and UV-resistant matte powder coated galvanized steel with a small spacing in the seat giving an easy outflow of water. Linear Steel Counter Stool stacks up to 5 chairs on the floor.
Material	The Linear Steel Bar & Counter Stools are made from galvanized steel with a weather-resistant deep matt, UV-resistant powder coated finish, making the chair suitable for outdoor use. Plastic glides for outdoor use.
Cleaning & Care	When cared for properly, the Linear Steel Series is designed to last. Follow these simple rules to care for your design in the best possible way. Clean the chair with a damp cloth after use. If necessary, use a mild detergent or dish-washing liquid, not concentrated. Always wipe with a dry cloth afterwards. To minimize the risk of stains and marks, liquids, grease etc. should be removed straight away. Lacquered surfaces can get scratches and chips if hit by other hard objects.

Linear Steel Counter Stool

65 cm / 25.6"
