

DESIGN BY PIERRE CHARPIN

HAY

PC LINEAR

HIGHLIGHTS

- Part of a progressive and technologically advanced lighting collection
- A family of refined pendants, task lights, table and portable lamps
- Linear suspension lamp that provide a diffused directional linear source of light
- CE approved
- Integrated LED light source ensuring a life span of at least 25,000 hours of use
- Suitable for both private and office environments
- Qualified for contract use

PC LINEAR DESIGN BY PIERRE CHARPIN

Pierre Charpin's PC Linear is the latest member to join the family of PC lamps. The new design shares the same simple and elegant profile that is present in the rest of the family. The PC Linear's shade is pressed from a single aluminium component with a wet-sprayed finish. The linear design is ideal for suspending over meeting or dining tables, as well as for illuminating exhibition shelves in commercial spaces.

Trained as an artist, Pierre Charpin has devoted himself to furniture and object design since the early 1990s. His approach to design is strongly influenced by his artistic background. Pierre's research on form and colour characterise his work and can be seen in both, limited edition products and industrial products like the PC lamp. The use of a simple vocabulary and elementary forms is a constant aspect in his work, as well as the desire to offer sensual objects. Drawing, which he practices as a starting point for his designs, is an essential part of his creative process. Pierre Charpin's pieces have been included in exhibitions around the world and are held in many museum collections. He was elected Designer of the Year 2017 at Maison & Objet. He lives and works in Paris.

MATERIALS

SHADE
Stamped aluminum with a wet spray finish

DIFFUSER
Extruded and injection moulded polycarbonat (PC)

CEILING CANOPY
Black injection moulded ABS

CORD
Silicone power cord

PRODUCT INFORMATION

DESIGN YEAR
2020

COUNTRY OF ORIGIN
China

COLOUR & FINISH

Please note that the colours are indicative

Soft black

DIMENSIONS

PC LINEAR
Width 120 cm
Depth 14 cm
Height 10 cm
Weight 2,6 kg

TECHNICAL SPECIFICATION

LIGHT SOURCE
Integrated LED, 28W, 2300lm, 2800K warm white

DIMMABLE
Yes (TRIAC)

POWER SUPPLY
220-240V AC at 50/60Hz

IP
20

CORD LENGTH
400 cm

SWITCH
No

TEST SPECIFICATION OUTPUTS

Photometrics and the specification shown is taken using the integrated LED bulb fitted in the production luminaire

LUMEN (LM)
2300lm

KELVIN (CCT)
2800K warm white

CRI (1-100)
82
