

# Wrap Lounge Chair

“Designing the Wrap Lounge Chair, we had the image of a lounge chair with a soft blanket simply draped around its ample silhouette in mind, playing with models and prototypes to find a fluid way of incarnating this idea. We were driven by the idea of creating a really snug chair with an enveloping feel and generous proportions that don’t feel chunky.”

<b>Description</b>	Wrap is a soft Lounge Chair with a blanket-like textile wrapped around its shell, allowing a deep sense of comfort with a strong sense of character. While its design is guided by the search for ultimate comfort, its generous shape is supported by a light steel frame creating a contrasting image of airy lightness. The draped upholstery is a result of extensive research and development as well as craftsmanship and knowhow. The Wrap Lounge Chair is simple, yet refined, combining a sense of ease with a strong design language.
<b>Material</b>	Seat made of pressed felt with steel reinforcement. Wrap Lounge Chair’s shell is clad with multiple layers of foam and wadding and finished with textile upholstery. Upholstered in high-quality textiles from Kvadrat and Rohleder. Tube base in powder coated steel with plastic gliders.
<b>Cleaning &amp; Care</b>	<p>Textile: For general care we recommend a gentle vacuum cleaning between the seat and armrest or backrest. In case of stains, we generally recommend removing non-greasy stains by carefully dabbing with a lint-free cloth or sponge wrung out in clean warm water. If necessary, clean by dabbing with soapy water made with a little dish soap. Finally, dab the surface with clean water. We highly recommend that you go to <a href="http://kvadrat.dk">kvadrat.dk</a> for further cleaning and maintenance instructions for your chosen textile, as the cleaning methods may vary from one textile to another.</p> <p>Base: Clean with a moist cloth. If necessary, use a little dish soap on the cloth.</p>
