PRESS RELEASE JUNE 2023

Introducing the TOTEM DECO LAMP, a captivating creation born from the collaboration between PLEASE WAIT to be SEATED and artist Tilde Grynnerup. Positioned in the intriguing grey area between art and design, this piece embodies a harmonious blend of creativity and functionality.

Tilde Grynnerup's woodwork creations, characterized by their simple geometrical shapes, evoke a sense of clarity and simple elegance. They pay homage to the brilliance of renowned designers/artists such as Rietveld and Calder, who embraced the beauty of simplicity in their works. The TOTEM DECO LAMP shares this aesthetic, capturing the essence of minimalist design with a touch of artistic flair.

More than just a decorative piece, the TOTEM DECO LAMP has an influence on any interior space. Whether it's your private living room, a hotel suite, or any environment in need of an intriguing focal point, this piece leaves a lasting impact. Its presence simply enhances the ambiance, providing a warm and inviting atmosphere.

With the added feature of warm, indirect dimmable LED lighting, the TOTEM DECO LAMP elevates its purpose beyond mere decoration; it creates a beautiful and soothing glow, creating an intimate and ambient feel. The TOTEM DECO LAMP seamlessly merges design and functionality, bringing both beauty and practicality to any space.
